

# Storyline Design Process

## Storyline Design Process

*Follow the steps of this design process to create a three-dimensional storyline with the NGSS.*

1. Bundle **Performance Expectations**
2. **Anchor Model** of Concepts - the cover
3. **Enduring Understandings** - the message
4. **Essential Questions** - the hook
5. **Order of Experiences** - the plot
6. **Performance Assessments** - the feedback
7. **Anchoring Phenomenon** - the conflict
8. **Learning Performances** - the chapters
9. **Learning Experiences** - the story
10. The **Title**
